

PENTECOST

Join Us for the Afternoon

Our focus will be the apostolic nature of everyday life

The NY/NJ area has a rich tradition of celebrating Pentecost and this year will be no different. Bring a friend and sign up for this year's Pentecost event on June 11! This year we'll have lunch followed by a program to help you to reflect

on being apostolic in the providence of everyday life. We are excited to see what the Holy Spirit does this year in Stirling. For more information, sign up below via email or phone.
